called off yesterday afternoon, the men admitting themselves in the wrong.

In consideration of their good behavior during the strike and the fact that the decision to go out was due to misinformation they have been permitted to return to their old positions with the exception of five men. The trouble was settled at a meeting between the switchmen's union and Gen-

Play for National Honors.

Wheaten, Ill., Oct. 2.—Two western woman golfers, Miss J. Anna Carpenter of Westward-Ho and Miss Bessie Anthony of Glenview, who holds the western championship, will tomorrow decide who is entitled to the title of woman national champion. Both won over their opponents in the semi-finals today. Miss Osgood, in her match with Miss Anthony, put up one of the plucklest uuhill games ever seen here.

The finals tomorrow will be at 18 holes. Miss Anthony and Miss Carpenter have met in several tournaments, with the honors generally in favor of Miss Anthony and her chances of adding the title of national champion to that of western champion are considered bright. This will be the first time the national championship has ever been won by a western woman golfer.

quires 1,500 Box Cars Daily -Otle: Roads the Same.

Chicago, Oct. 3 .- The railroads of the entire country are face to face with what promises to be the greatest car shortage in their history. Despite the fact that most liberal orders for new equipment have been given by all the railroads during the last 12 months they now find themselves unable to accept all the traffic that is offered. The condition of affairs is outlined by Vice President W. C. Brown of the Lake Shore who says that the company is in urgent need of 1,500 box cars daily. On other systems with a much greater mileage than the Lake Shore larger numbers of ears are needed for immediately.
